## CULINARY PLATFORMS

# COCOA EXTRACTS EXTRACTING THE BEST OF COCOA

Cocoa plays a major role in the flavour industry. Research has proven that cocoa is full of wholesome goodness – a bunch of anti-oxidants, a pinch of polyphenols and plenty of anti-carcinogens. Kancor's cocoa extracts are made from specially selected parts of cocoa, extracted and concentrated under vacuum. This process preserves the true cocoa flavour profile.

## VALUE DRIVERS

- Flavour booster
- Provides standardised flavours
- No sedimentation
- More intense in flavour and virtually fat free

## PRODUCT RANGE

COCOA RICH  
COCOA MR  
COCOA MILD

## APPLICATIONS

BAKERY | BEVERAGES | CONFECTIONERY  
DAIRY | DESSERTS | SNACKS | COOKIES
